SICANE BODO ENTERPRISE LIMITED

Service Driven by Love

ABOUT US

Sicane Bodo Enterprise Limited is a Ugandan-based private limited company providing reliable procurement, supply chain, logistics and operational support solutions. Since 2020, we have delivered quality products and services to NGOs, government institutions, private sector clients and development partners across Uganda and beyond.

VISION

To be a leading and trusted supplier of quality products and services that enhance efficiency, safety and sustainability in organizational operations.

MISSION

To provide reliable, cost-effective and customer-centered procurement solutions across IT, consumables, protective gear, renewable energy, furniture works and transport services, anchored in care and long-term value.

CORE VALUES

Excellence & Innovation

Delivering high-quality, innovative solutions that drive efficiency, growth and impact.

Integrity & Trust

Building strong relationships through honesty, transparency and reliability.

Customer-Centered Service

Service Driven by Love.

Sustainability & Impact

Ethical sourcing, environmental responsibility and sustainable practices.

Collaboration & Empowerment

Working together to foster growth, success and positive change.
